

## Simple Text Project – After Effects Template

# 01 // User Guide

### Thank you for downloading Simple Text Project!

Once you've enjoyed using this free project why not take a look at some of our other free files, as well as our premium After Effects templates at <https://www.enchanted.media>.

Please note that, as a free file, item support will be limited – though our full **Terms of Use** still apply.

Please visit <https://www.enchanted.media/terms-of-use/> for our full Terms of Use.

## Simple Text Project – After Effects Template

# 02 // Editing Text

In the Project panel open the composition **01. Edit Comps**

In here are the editable text compositions where you should be placing your messages.

## Simple Text Project – After Effects Template

# 03 // Rendering

To render simply add the composition **02. Final Comps / Final Comp** to the Render Queue and adjust the Output Settings to your required specifications.

Hit render !
